Appendix Work Plan

As this project started at the end of October below is the work that has been completed to date.

26.10.2015

- Initial meeting with Prof. Preece, discussing the project title and what the project involved
- Action: I was given the project title

02.11.2015

- Background reading set, following titles:
    - Data for good
    - Conversational Sensemaking
    - Signal Crimes
    - Human-machine conversations to support multi agency missions
- Action: read and write up summaries

09.11.2015

- Action: continue action from previous week, read background articles and write summaries

I've given myself longer to complete the background reading as there is a coursework deadline and I also looked up areas for my own background reading interest

16.11.2015

- Action: continue action from previous two weeks, read background articles and write summaries

23.11.2015

- Progress meeting with Alun to discuss prior background reading and topics
- Background reading set: following titles:
    - Open source intelligence
    - OSINT
    - Enabling intelligence through agent support: the CISpaces Toolkit
    - Tasking the tweeters
    - The sense making process and leverage points for analyst technology
    - The application of science
- Action: read and write up summaries

I've given myself longer to complete the background reading as there is a coursework deadline and I also looked up areas for my own background reading interest.

30.11.2015

- Action: continue action from previous two weeks, read background articles and write summaries

07.12.2015

- Progress meeting with Alun, discussing background reading, topics and next steps
- Background reading set, following titles:
    - Sentinel report
    - Dialogue mapping book
- Action: read and write up summaries
- Action: write draft initial plan

14.12.2015   (Christmas break)

- Action: write draft initial plan
- Action: determine project chapters
- Action: conduct Twitter analysis, find tools that will help
- Action: determine questions and background to send Surrey police contacts

21.12.2015 (Christmas break)

Due to a week of family plans I haven't set any work this week, any outstanding work I plan to complete within this week.

28.12.2015 (Christmas break)

- Action: write draft initial plan
- Action: write draft scenario chapter
- Action: conduct Twitter analysis, find tools that will help
- Action: pull together all work from over Christmas

04.01.2016
