	Task	Week									Semester 2								
		3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
Iteration 1																			
	Design modular workbench		█	█															
	Make a basic workbench			█	█	█	█	█											
	Research report on algos				█	█													
	Stencil shadow shader system.						█	█	█										
Iteration 2	Algorithm 1									█	█	█							
	Algorithm 2											█	█	█					
	Interim Report						█	█	█	█									
Iteration 3	Adapt workbench with tests												█	█	█	█	█		
	Write Final Report														█	█	█	█	█
